

2. RAISE AWARENESS INFOGRAPHIC TEMPLATE

Create between 5 and 10 questions to **show to the users if the project idea they have matches with the program they are checking**, or if they have to change and search in another EU program. Also, show them **if they know enough about the program or if they have to implement their knowledge** with some more information (official+best practices examples)

Example:

1. How voluminous should a project proposal be?
 - a. As voluminous as possible
 - b. A proposal should be as concise and clear as possible
 - c. Between 30 and 50 pages, Arial 10 font.
 - d. 50,000 characters.
2. Where can I find the "call identifier" and the "call name"?
 - a. Inside the application form
 - b. On the guide
 - c. There is not a specific mention to "call identifier" and "call name"
 - d. On the 1st page of the Call document, as an example:
 - Call name: Nature & Biodiversity - Standard Action Projects (SAP)
 - Call identifier: LIFE-2022-SAP-NAT
3. Who can apply?
 - a. A public or private legal entity registered in the EU or an overseas country or territory linked to it
 - b. A third country associated to the LIFE programme
 - c. A legal entity created under Union law or any international organisation
 - d. All the previous answers are correct
4. In which language should I submit my proposal?
 - a. Only in English
 - b. Only in French
 - c. Only in German
 - d. You can submit your proposal in any official EU language
5. Where can a LIFE project take place?
 - a. In your country
 - b. In, at least, 5 different countries
 - c. In an eligible country
 - d. In, at least, an EU and a Non EU country
6. What is the optimal budget for a LIFE project?
 - a. There are no specifications for project budgets
 - b. Small projects with total costs below €500 000 have rarely been selected in the evaluation
 - c. LIFE has co-funded large ambitious projects with total costs of more than €5 million several times in the past
 - d. All the previous answers are correct
7. Can we receive funding from other EU programmes in addition to LIFE?
 - a. Yes, you can use different funds at the same time for the same project

- b. LIFE programme funding must not overlap with funding from other EU programmes
 - c. Yes, but you have to clarify why and for what reason you should use more than Life+ funds
8. Which forms should be signed at the submission level?
- a. You have to submit a grant agreement
 - b. You have to submit internal agreement with partners
 - c. No signed forms are expected to be uploaded in the system
9. How can I estimate the staff effort in Work Package under Part B?
- a. Using your national system
 - b. You have to apply a formula according to real time/effort
 - c. The number of annual productive days is fixed at 215 days per year per person. i.e. 17-18 days = 1 person/month
 - d. No staff costs are needed
10. Is there a recommendation for the number of milestones or deliverables?
- a. Yes, between 2 and 5
 - b. Most of the approved projects in the past calls has 3
 - c. No matter about the number, they have to be relevant and to the point and the number depends on the need and scope of the project
 - d. You can apply without adding milestones and/or deliverables

-.....

For each type of answer we can assign points, according to the final results we can generate a profile:

- Very confident user
- With some knowledge
- Need to implement
- Beginner

or something like that
